

mbed::TimerEvent

```
classDiagram
    mbed::Timeout --|> mbed::Ticker
    mbed::Ticker --|> mbed::TimerEvent
```

A UML class diagram illustrating inheritance. At the bottom is the class `mbed::Timeout`. A blue arrow points upwards from `mbed::Timeout` to the class `mbed::Ticker` in the middle. Another blue arrow points upwards from `mbed::Ticker` to the class `mbed::TimerEvent` at the top. The `mbed::Ticker` class box is shaded gray, while the other two are white.
